I. STATEMENT OF FACTS (Give short title of violation and state fully the exact facts and circumstances of the violation): Possession of escape paraphernalia.

At approximately 2:40 PM, on March 4, 1982, while escorting Inmate Defreist, Mark #073061-W/M, who is housed in Cell S-2-S-2, in the Clinic for an X-ray. Upon checking the X-rays, P.A. Mathews stated that Inmate Defreist had a foreign object inside of his mouth. Upon searching Inmate Defreist I found a homemade handcuff key in Inmate Defreist's front pocket. I then turned the evidence and this Disciplinary Report into the Control Room for further investigation.

Reported By: J.D. Lazenby (Signature of Reporting Officer(s)) (Title) CO-III

II. DELIVERY OF CHARGES: At 9:38 (AM) (PM) on this 11 day of MARCH, 1982, I served notice on this inmate that he will be given a hearing on this charge before the disciplinary committee, and I have given him a copy of the charges. HEARING DATE: MARCH 12, 1982 Delivering Officer: CO-III

III. REPORT OF INVESTIGATION: Date: March 9, 1982 Investigated By: Officer Gladish, CO-III

Investigation of this disciplinary report was conducted at approximately 2:57 PM, on March 9, 1982, during which time inmate DEFREIST was advised of the charge placed against him and was asked for any statement he would like to make. Inmate DEFREIST admits to having possession of the key stating that he got it from the bench in the clinic holding cell area and in turn put it in his mouth to keep it. Inmate DEFREIST declined witnesses and staff assistance. Inmate DEFREIST declined further comment and will remain in Close Management pending results of this disciplinary report. Sgt. Lazenby attests to the veracity of the statements in Section I of this report.

IV. DISCIPLINARY COMMITTEE ACTION: PRESUMPTIVE PAROLE RELEASE DATE: None

Date & Time of Action: Mar. 12, 1982 12:57 p.m. Inmate's Plea: No Plea

Finding and Action of Committee: (Explain Action)

Inmate Defreist refused to appear before the Disciplinary Team and was therefore, tried in absentia (see attached form). The Team found the subject guilty as charged based upon the fact that Xrays showed clearly that the key was in Defreist's mouth, and Sgt. Lazenby then retrieved the key from Defreist. Additionally, Defreist admitted to the Investigators that he did have the key in his possession. The Team recommends 90 days Disciplinary Confinement with 0 days loss of gain time.
